Sustainability Initiatives

Organic Cotton

GOTS Certified Supply chain from Yarn, dyes, chemicals to factories. GOTS certification will be provided.

Sustainable Viscose

100% Sustainable Viscose with supply certification numbers to verify the wood pulp used is from sustainable forest. We source from Lenzing Eco Vera, Birla and Formosa. We also supply Sustainable Modal and Tencel fabrics.

BCI Better Cotton Initiative

The majority of the cotton we are buying for customers is BCI introduced to George in menswear SS 20.

OEKO-TEX

OEKO TEX labels and certificates confirm the human ecological safety of textile products and leather articles from all stages of production (raw materials and fibers, yarns, fabrics, ready to use end products) along the textile value chain.

Sustainable Commitments

Assurer.World is making a shift towards sustainable manufacturing to contribute its bit towards overall well being of current and future generations. We ensure our vendor partners follows sustainability initiatives allowing everyone around & outside to enjoy an eco-friendly environment.
